

My name is Catherine Crenshaw. This is reference to Case No. 20-12841.
I wish to file an objection to the sales of the Membership Assets to the Buyer.
I do not want my membership to be sold.
Over the summer 2020, I tried to cancel my membership but was denied.
They had issues finding my membership account in their system.

Given the current environment with the Covid-19 situation, I have no intentions to returning to the gym.
Therefore, I request you to cancel my membership and not sell the membership to YF FC Acquisition, LLC (the
“Buyer”).

Thank you,

Catherine Crenshaw
